

Experium Mission and Values

The organization's mission, vision, values, leadership, and quality-improvement drivers are aligned to goals centered around the person served.

- **Collaboration and Accessibility:** Services provided are collaboratively coordinated and accessible to the person served at all times.
- **Holistic Approach:** Services provided focus on physical comfort as well as emotional well-being throughout the process.
- **Respect for Culture and Circumstances:** Patient and family preferences, values, cultural traditions, and socioeconomic conditions are respected.
- **Organizational Impact:** Persons served, their families and support systems are an expected part of the stakeholder team and play a role in consideration of decisions at the organizational level.
- **Sharing of Information:** As applicable, information is shared fully and in a timely manner with all stakeholders so that persons served and their family members can make informed decisions.
